

Shonari Phillips

Graphic Designer

Tamarac, FL • shonarip@gmail.com • shonarip.myportfolio.com

Authorized to work in the US for any employer

Summary

Graphic designer working in print, signage, and apparel, from concept through production. Currently at Biz Printing USA in Tamarac. Previously the sole designer at FASTSIGNS Indianapolis (July 2022–June 2025), producing 35–50 designs a week, including work for Century 21 and Live Nation.

Experience

Graphic Designer

Biz Printing USA, Tamarac, FL • September 2026 – Present

- Design and produce banners, brochures, business cards, flyers, postcards, and yard signs.
- Design logos for print.
- Prepare copying jobs and EDDM print-and-mail pieces.

Graphic Designer

FASTSIGNS, Indianapolis, IN • July 2022 – June 2025

- Designed production-ready graphics and vinyl for vehicles, substrates, and buildings, from concept through cutting, printing, and mounting.
- Served as the sole designer, averaging 35–50 designs a week, including work for Century 21 and Live Nation.
- Worked directly with customers to deliver finished pieces they approved.

Graphic Designer

Kingdom Workshop, Fort Lauderdale, FL • June 2021 – July 2022

- Designed prints for apparel, business cards, signs, vehicle wraps, and flyers for local businesses.
- Produced work in-house on heat presses, sublimation, and white toner, and prepared vector art for screen printing.
- Operated a Uninet iColor 560 and a Roland CAMM-1 Servo vinyl cutter, and coordinated large-format printing with outside shops.

Earlier work

Delivery driver, beach attendant, youth coach, retail associate, and food service roles in Fort Lauderdale, Indianapolis, and Rock Island, 2013–2021.
